

UPCOMING EVENT

A Global Student on a Hammock Workshops for High School Students - Individual Virtual Active Learning.

Imagine yourself resting on a hammock, perhaps a soft breeze touches your face. Instead of reading a book or listening to a podcast, you can learn about and shape the future of one of your favourite subjects – yourself. For many, times of rest can also be times of inspiration. Come get inspired through interactive, inspiring learning sessions from the WorldLINK Foundation—and you may even stay on your hammock.

**July - August 2021**

join an international, friendly group of charismatic trainers who are ready to show you innovative, critical, and design thinking strategies. And you will also get support in public speaking!

**4 days, 3 sessions each day, 3 trainers in 1 day,
3 different approaches to equip Global Students with soft skills**

**Platform: ZOOM ACTIVE LEARNING**

Participants are obliged to have the latest version of the zoom so the active learning can be implemented efficiently.

**4 days, 3 sessions in 1 day, scheduled with the breaks in between
so effective and active learning environment can be guided by trainers**

**Each session duration:
1 hour, 15 min breaks between sessions****Read more**

Find out more about sessions and registration on the next page

SESSION 1

Workshop : Standing Centre to Present – A good Person Speaking Well Workshop (Sessions in English)

Trainer: Don Allen trained as an actor and has been continuously working in theatre, TV and film for more than 25 years. His first short film received a short-list nomination, and he has moved forward directing and producing two feature films, „Three Minute Moments” and „K” starring Tamer Hassan and Colin Salmon. Don co-directed a multimedia project at London’s BFI with Cannes Palme d’Or winner Apichatpong Weerasethakul. Now based in Poland, he is the artistic director of the „English Touring Theatre Company” performing all over Poland and delivering acting workshops. He is also about to launch a series of videos to help people learn English called 'LET drama'! All details can be found at: theETTC.com

SESSION 2

Workshop: Design Thinking Method & Introduction to creative problem solving (Sessions in Polish)

Trainer: Małgorzata Polińska, a manager with over 10 years of experience. A HR specialist by education (a graduate of the Cybernetics Department at the Military University of Technology) and a project manager (Kozłowski University). Certified Design Thinking moderator and Biegun Method trainer. A passionate lover of people and their history, specialist in team harmonization and development, consultant and trainer. She supports educational initiatives directed at children and youth.

SESSION 3

Workshop: The Skills every Technologist Should Know (Sessions in English)

Trainer: Patrick Kozakiewicz travels (physical and virtually) around the world teaching tens of thousands of individuals agile, design thinking and mindfulness. He consults with other international companies in these domains, co-hosts the Mindfulness@IBM Podcast, and has recently created a free online badging course called, “Explorations in Mindfulness” in partnership with the University of Oxford available on Open P-TECH (<https://www.ptech.org/open-p-tech/>) and is currently working with Chris Dancy to make us more digitally aware.
